CERTIFICATE

To our beloved, young & dedicated member:

Emran Magdy Abdel Ghany Radwan

You have successfully completed **Grade 7-8 Module 3 Web Development 1**
Throughout this module, you have achieved the following outcomes
Learn the role of the web as a creative medium and gain knowledge
about how the internet functions as a platform for sharing information and content.
Develop web development skills, including creating and sharing web content
using external resources like open-source libraries multimedia, and UI/UX.

We wish you all the best!
